Weekly Council Update

Recount Results - Park Vote Passes (Again): The recount on the Park Vote took place earlier today at the Cedar County Courthouse. All of the votes were recounted and it was confirmed that Public Measure K did in fact pass with at least 60% of the vote required for bond referendums. Moving forward, that means that the residents of West Branch have approved the West Branch Park Improvements Project. The first step for City staff will be to determine how this result affects the tax increment financing debt certification, which will be considered by the City Council at their November 30, 2015 Council Meeting. Also included on the November 30, 2015 Council Meeting Agenda will be a discussion item regarding design of the West Branch Park Improvements Project.

Christmas Past Flyer Now Available: Celebrate the holidays with an old-fashioned Christmas in downtown West Branch. Main Street West Branch, along with the National Park Service and the City of West Branch, are sponsoring A Christmas Past on Friday, December 4th and Saturday, December 5th. Come join us for horse-drawn carriage rides, street fireplaces, homemade donuts and much more.

The West Branch Fire Department will be hosting the Gibson's Trains and Mr. & Mrs. Claus will be in town to greet kids. Be sure to visit Town Hall on Friday evening where kids can make crafts while enjoying hot cocoa, cider and baked goodies. And on Saturday, Little Lights Events, located at 102 W. Main Street, will be open from Noon until 7:00 p.m. for an Art Market and Christmas Tree & Wreath silent auction. Don't miss out on the fun! For more information, please see the Christmas Past Flyer attached to this week's Update.

Holiday Trash Schedule: Trash pick-up will be delayed next week due to the Thanksgiving Holiday until Saturday November 28th. City Offices, the Park & Recreation Department and the West Branch Public Library will be closed on Thursday November 26th and Friday November 27th for the Thanksgiving Holiday.

Stormwater BMP Report Now Available: HBK Engineering has completed the City of West Branch Stormwater Best Management Practices Final Report. The report is now available on the "Projects" webpage on the City website at <http://www.westbranchiowa.org/departments/projects>.

Iowa League Special Budget Report Now Available: The Iowa League of Cities has released their annual Budget Special Report for the coming fiscal year. This year's report can be found on the "Projects" webpage on the City Website at <http://www.westbranchiowa.org/departments/projects>. Council members are encouraged to read the report and contact staff with any questions you may have on revenues, expenditures, legislation or other key budget issues. This report is one of the key documents utilized by city staff to prepare the budget proposal for Council review.

The information provided is one-way communication and should not be discussed among you as this would be a violation of the open meeting law.
