News & Events

-With the warm weather we've been having lately, there have been lots of grass fires lately from controlled burns-turned uncontrolled. Please be smart and be careful!

-Many of our EMS personnel trained the past couple of weekends at seminars. The Cedar County EMS Fest was Feb 4 at Tipton High school and the Johnson County EMS Saturday was Feb 11 in North Liberty.

-We also got around to our annual Firemen's Christmas party on Jan 22 at Fiesta Riviera in West Branch. We had the honor of recognizing the following members. 20 years of service to Davie Hosier and Mike Kusick. 30 years of service Jodee Stoolman. 58 years of service Richard Stoolman. Emergency Service EMT of the year Sandy Heick and Firefighter of the Year Mike Fair.

-The organization "Air for Paws" made a donation to the department of a CPR kit for animals. The kit is complete with fitting bag valve masks for different sized pets and instruction for pet CPR. Our three trucks are now equipped with this new feature.
